Forward-Looking Statements

This press release may contain "forward-looking statements" within the meaning of the federal securities laws. Forward-looking statements are not historical facts and include statements about the Company plans, objectives, beliefs and expectations. Forward-looking statements include statements preceded by, followed by, or that include the words "believes," "expects," "anticipates," "seeks," "plans," "estimates," "intends," "projects," "targets," "should," "could," "may," "will," "can," "can have," "likely," the negatives thereof or similar words and expressions.

Forward-looking statements are only predictions and are not guarantees of future performance. These statements are based on current expectations and assumptions involving judgments about, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the Company's control. These predictions are also affected by known and unknown risks that may cause the Company's actual results to be materially different from those expressed or implied by any forward-looking statement. Such risks include, but are not limited to, failure to meet capital and surplus requirements; vulnerability to catastrophic property loss; changes in accounting standards; accuracy of claims adjustments; sufficiency of expense reserves; changes in tax laws; realization of deferred tax assets; accuracy of underwritten risks and adequacy of premiums; availability and cost of reinsurance; regulation and legislative changes; reliance on

subsidiaries; downgrades in financial strength ratings; changes in interest rates; credit and prepayment risks; geographic concentration; reliance on independent insurance agents and brokers; sufficiency of reserves for doubtful accounts; litigation; enforceability of policy terms; reliance on information technology systems; single operating location; prevention or detection of fraud; changes in economic conditions; dependence on key personnel; ability to attract, develop and retain employees; insolvency, financial difficulties, or default by contractual counterparties; competition; maximization of long-term value; control by a small number of shareholders; limited trading of stock; maintenance of effective systems of internal controls; and difficulty in effecting a change of control or sale of any subsidiaries.

Please see Part I - Item 1A – "Risk Factors" in the Company's 2018 Annual Report on Form 10-K as filed with the U.S. Securities and Exchange Commission ("SEC"), as well as other documents the Company files with the SEC from time-to-time, for other factors that could cause the Company's actual results to differ materially from the forward-looking statements discussed herein. Because of these and other risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements. In addition, these statements speak only as of the date of this press release and, except as may be required by law, the Company undertakes no obligation to revise or update publicly any forward-looking statements for any reason.
